HEALTH AND SAFETY OPERATIONAL POLICY

Rationale:

Boards are responsible for ensuring the health and safety of anyone permitted to come on to school premises (Health and Safety at Work Act 2015). The Act applies to schools because schools qualify as a “person conducting a business or undertaking (PCBU)”.

Purpose

- To meet the responsibilities of the legislation.
- Comply with the Health and Safety Code of Practice for state and state-integrated schools.
- Strive to reduce the risk of harm to those who come into contact with, or are in the vicinity of, the school premises.
