

KAIAPOI HIGH SCHOOL BUS ROUTES – WOODEND #1 & #2

The Woodend bus run is split due to high student numbers. **Woodend #1** covers the right hand side of the Main North Road (heading north) and **Woodend #2** covers the left hand side of the Main North Road (heading north). Students must catch the bus that is allocated to their side of the Main North Road.

Because one bus is covering both routes, the Woodend #1 has an earlier morning pick-up time and an earlier afternoon departure time. Woodend #2 has a later morning pick-up time and a later afternoon departure time.

This split ensures all students are picked up and dropped off safely and are seated on the bus. If students on Woodend #1 choose to catch Woodend #2, or vice versa, this would lead to buses being overloaded. If you have any concerns, please contact our bus controller at e.mcmeeken@kaiapoi.school.nz.

Times are approximate only. Please ensure students are at their stop at least five minutes before the due time.
