

## **Bus Routes 2021**

The bus routes and times for 2021 may have changed. Please look at the appropriate map for your route. Times are temporary until the bus routes are settled.

The **Brooklands** route will begin the pickup at 7:45 am at Abel Upholstery. There is a new stop at the corner of Lower Styx Road and Te Te Korari Street.

**Eyreton #1, Mandeville (formerly Eyreton #2), and Waikuku** will run at the same times as last year. Eyreton #1 and Mandeville have slightly altered routes.

The **Tuahiwi/Beaches** run will have the same times, but the route and times are reversed.

**Woodend #1 and Woodend #2** will operate at the same time. One bus does the left-hand side of the road and one bus does the right-hand side of the road. They will begin their run in the morning with the first pickup at 8:00 am. In the afternoon they will both leave the high school at 3:05 pm.

**Pegasus** has a changed route. There will be two buses that run at the same time. The morning run will begin at 8:30 am and the afternoon run will leave the high school at approximately 3:30pm. This is a straight in and out route.

Correct times and stops will be finalized after the first week of the new runs.
