

Course Selection

How to select your 2027 Courses

Big Question?:
WHAT DO YOU WANT
TO LEARN IN 2027?
...and beyond??

Timeline-Key Dates

- This year for year 9s course selection will be online via the Schoolbridge platform. This **opens** at 4pm on Thursday 6th August and **closes** Friday 21 August at 9am.
- Students select their subjects in consultation with their parents After the **close dates** provided above, students will work with their House Dean to select courses.

Your key to the whole process – a platform called ‘**SchoolBridge**’

- Online
- It knows you! Well, not you... It knows your current timetable
- It points you at courses at your year level
- It shows you where subjects can lead you in the future (more on that later)
- It all hangs on these three magical words.... “**courses for me**” ...
- But first... how to log in?

YOU
ALREADY
HAVE THE
KEY TO LOG

Final Checking with PARENTS/CAREGIVERS

- Subject decisions are a **team effort with your parents** so discuss these with them

- Once all your selections are made, **get them to double check. If they agree** with choices, then great! -You will get your timetable for next year in December.

But...

- If not, your parent/caregiver can discuss this with you
and make changes by the cut off 9am, 21 August date

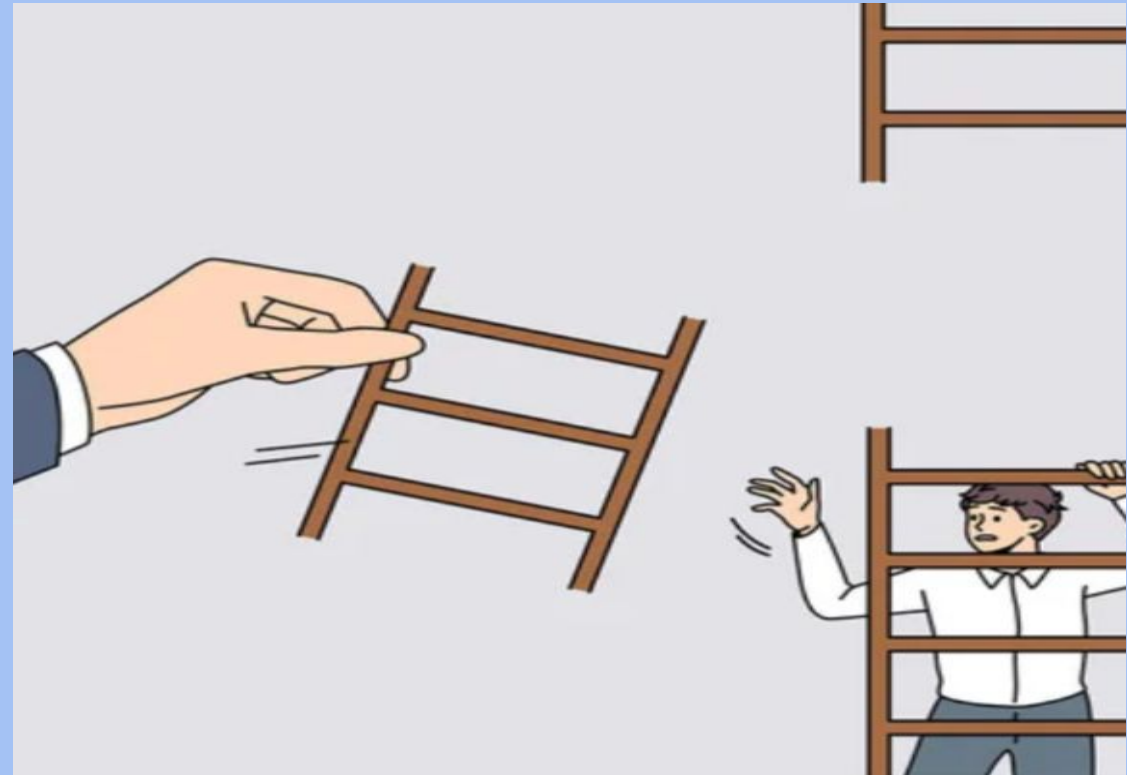

- Parents already use SchoolBridge for absences, so they know how to log in

Looks too difficult or I can't decide?

- You have a team of helpers happy to help!

- Subject Teachers
- **Your parents/caregivers**
- **Tutor Teacher**
- Career Advisor
- Dean

LOG IN FROM THURSDAY 4pm 6th August!

- Remember the close dates!
- If needed, your Dean will step in to get you over the line.
