

Course Selection

How to select your 2027 Courses

Big Question?:
WHAT DO YOU WANT
TO LEARN IN 2027?
...and beyond??

Timeline-Key Dates

- For year 10, entering year 11 in 2027, course selection will be online via the Schoolbridge platform. This **opens** at 4pm on Thursday 6th August and **closes** Thursday 27th 2pm
- Students select their subjects in consultation with their parents After the **close dates** provided above, students will work directly with their House Dean to select courses.

●

Your key to the whole process – a platform called ‘**SchoolBridge**’

- Online
- It knows you! Well, not you... It knows your current timetable
- It points you at courses at your year level
- It shows you where subjects can lead you in the future (more on that later)
- It all hangs on these three magical words.... “**courses for me**” ...
- But first... how to log in?

YOU
ALREADY
HAVE THE
KEY TO LOG
IN!

COMPULSORY ALREADY LOCKED IN!

Maths and English

SO, WHAT TO CHOOSE?

**This year is all about options, so discuss these
with your parents.**

Note: We strongly recommend Science!

Year 10's have some big NCEA choices to make 🤩

- You can **try completely new things!**
- Think about the subjects you **enjoyed most this year?**
- What might you be thinking about **career wise? What would be useful?**
- **Make the choices about you and not your friends**

Six Subjects

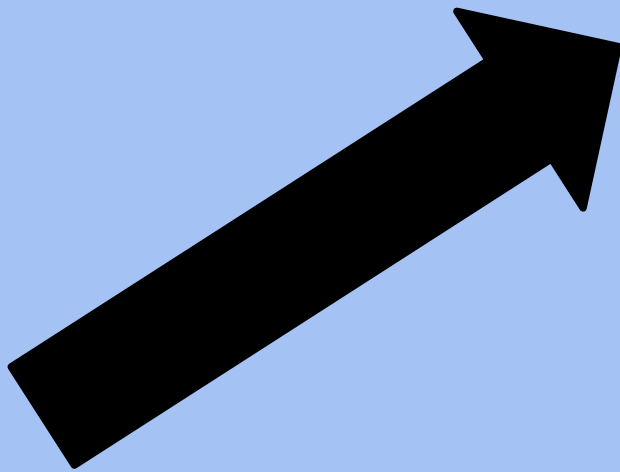

- 4 'Choices' plus 1 back up
- **Exception:** you can apply for an exemption to take **English Literature** (Head of Faculty Approved)
- **Achievement Standards:** Achieved, Merit Excellence and include Internally and Externally Assessed.
- **Unit Standards:** are *mostly* graded Achieved/ Not Achieved and are all internally assessed

What if I do not pass Co-Requisites this year?

- Students will **automatically be placed** into the appropriate intervention class by the Head of English and Head of Mathematics.
- For example, **you may be** placed into L1 English Skills or L1 Numeracy if you have found the co-reqs challenging.

- Still one more important step

Final Checking with PARENTS/CAREGIVERS

- Subject decisions are a **team effort with your parents** so discuss these with them

- Once all your selections are made, **get them to double check. If they agree** with choices, then great! -You will get your timetable for next year in December.

But...

- If not, your parent/caregiver can discuss this with you **and make changes** by the **cut off** Thursday 2pm 27 August

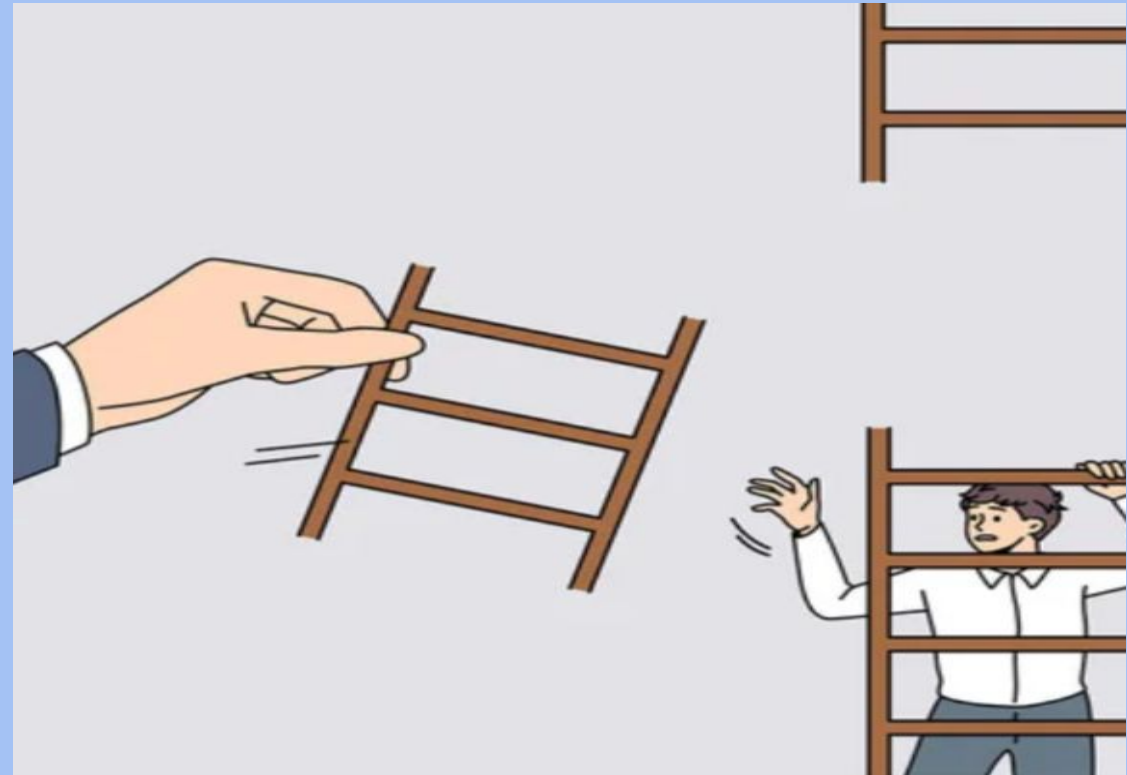

- Parents already use SchoolBridge for absences, so they know how to log in

Looks too difficult or I can't decide?

- You have a team of helpers happy to help!

- Subject Teachers
- **Your parents/caregivers**
- **Tutor Teacher**
- Career Advisor
- Dean

LOG IN FROM THURSDAY 6th August 4pm!

- Remember the close dates!
- If needed, your Dean will step in to get you over the line.
